Why? Only a fraction of business leaders will take the time to really discover the secrets of Turbocharging their businesses. By attending this TeleClass series you and your leadership team get a complete step-by-step road-map to turbocharging your team, company, and profits. Bill Bean will be personally presenting these TeleClasses to your people and your company from the convenience of your computer!

?? Self-paced—when ready to learn and do!

?? Over 450 minutes worth of material.

?? Workbooks will be provided.

How the monthly TeleClasses works. The TeleClass series is held over the internet so you'll need a PC or MAC computer and internet connection. To attend just make a reservation by visiting the web link listed below. When you register and pay the fees, you'll be given the link of where the weekly TeleClass is held. If you miss a class you can replay it as many times as you like for up to a week.

**An eight-session
series of classes
(starting June 2006)**

**Cost: \$600
(Special YPO rate)
(Regularly \$760)**

To register for this exciting new TeleClass series from Bill Bean just visit the website below and follow the registration and payment procedures.
