

New Intense TeleClass for CEO/Team **TurboCharging Toolkit**

CEO and Leadership Toolkit to TurboCharging

TeleClass#1: Toolkit Part 1

Key TurboCharging steps from Pre-Work to Goal-Setting

TeleClass#2: Toolkit Part 2

Implementation from Action Plans to Monthly Tracking Meetings and Plan Updates

Overview

I completely recommend Bill as a company, chapter, University, YPO, or committee resource. He is best in class.
- Thomas M. Holder
Chairman & CEO, Holder Construction Company

Why? Your CEO and execs' time is at a premium! That's why this TeleClass is so important, you will learn how to use Bill Bean's toolkit to TurboCharge your business for greater profits in only two hours! Bill Bean will personally show you what it takes to systematically TurboCharge your business.

How the monthly TeleClass works. The TeleClasses are held over the internet so you'll need a PC or MAC computer and internet connection. To attend just make a reservation by visiting the web link listed below. When you register and pay the fees, you'll be given the link of where the TeleClass is held. If you miss a class you can replay it as many times as you like for up to a week.

**A two part
TeleClass series
(starts June 2006)**

**Cost: \$145/person
(Special YPO rate)
(Regularly \$175)**

To register for this exciting new TeleClass two part series from Bill Bean just visit the website below and follow the registration procedures.
